Dear Rodney:

On behalf of Cromwell Human Services and the people we serve, I wish to express my sincere thanks and gratitude to you for the recent donation of food you collected during your food drive again this year.

As you may know, we prepared many holiday baskets for our families in need over the Thanksgiving and Christmas holidays so your food will be put to good use in restocking our food bank here at Town Hall. We were able to provide at least 55 baskets at both Thanksgiving and Christmas time for distribution to those in need. We are grateful to you for your on-going concern and support of your neighbors and your on-going support of your community.

Our best wishes to you, your patrons and your family for a healthy and happy year 2009.

Sincerely,

Theresa Strong,
Senior Center/Human Services Director
